A JOINT VENTURE
BY TWO LEADING INSTITUTIONS

The Division of Pediatric Surgery
LILAVATI HOSPITAL & RESEARCH CENTRE, MUMBAI, INDIA

&
The Division of Pediatric Urology
THE CHILDREN'S HOSPITAL OF PHILADELPHIA, PHILADELPHIA, USA

Invite you to

An International PEDIATRIC UROLOGY UPDATE

In MUMBAI , INDIA
On FEBRUARY 26TH -27TH -28TH 2010

In collaboration with
The Indian Association of Pediatric Surgeons (IAPS)
&
The Indian Society of Pediatric Urology (ISPU)

CONFERENCE VENUE

IES Auditorium (opp Lilavati Hospital) , Bandra Reclamation.

Special attraction

A highly subsidised residential package
at Taj Lands End***** Bandra[see inside!](#)

Dear Colleagues,

We are indeed very happy to announce and invite you to this first workshop and conference organised jointly by the Division of Pediatric Surgery and Urology , Lilavati Hospital, Mumbai, INDIA and the Division of Pediatric Urology , The Children's Hospital of Philadelphia, USA.

A promise for a high quality meeting...

The LHRC Mumbai is one of India's leading hospitals and now also an upcoming teaching centre for pediatric urology and surgery. The CHOP is one of the foremost pediatric hospitals in the world and its division of pediatric urology has been a pioneer in this field.

The coming together of such leading institutions is itself a promise of a very valuable and state-of-the-art scientific programme. An excellent Faculty, from across the globe, has been carefully chosen for their expertise in the various topics selected for this meeting.

The scientific programme is planned with an emphasis on newer and novel but easily applicable advances and refinements in pediatric urology. In the incontinence workshop, we will demonstrate and discuss important surgical techniques, with leaders in the field, in a way that you can actually use them in your practice.

During the entire meeting, we will avoid topics and issues which have been debated over and over again.

And lastly, we will take a glimpse at what is on the pediatric urological horizon.

Special short-talks session

A short-talks session on a variety of exciting topics by the eminent faculty is being carefully planned. We will be able to deal with a variety of crucial issues and developments and thereby cover more ground.

An unbelievable residential package

The organisers have been able to negotiate a fantastic price for a residential package with the Taj Land's End Hotel – a premium 5 star luxury property on the Bandra Sea front overlooking the spectacular Sea Link– especially for this meeting. And we urge you to take advantage of this offer. The conference venue and the Lilavati Hospital are just are within walking distance of the Hotel.

On behalf of the entire organising committee we would like to assure you that we are working hard to ensure that you will get the most out of this meeting.

We look forward to welcoming you in Mumbai.

Programme Highlights-

(suggestions are welcome)

26th FEBRUARY (FRIDAY) 2010 10.00 -17.00 hrs

Surgical workshop

Urinary incontinence and other useful & replicable/applicable surgeries-

Surgeries to be shown in Two simultaneous theatres with state-of –the-art optic cable transmission. Efficient utilisation of time – by videos/talks and discussions when routine part of live surgery is in progress.

Planned surgeries –**Augmentation / Bladder neck suspension & bladder neck slings (male and female). Bladder neck reconstruction / Mitrofanoff / Artificial urinary sphincter / Female incontinent epispadias / Deflux injection for incontinence – bladder neck & periurethral / Mace , mace using a button / Botulinum injections in urology/ Sutureless circumcision using dermabond/ Endopyelotomy**

27th FEBRUARY (SATURDAY) 2010 09.00 – 15.00 hrs and

28th FEBRUARY (SUNDAY) 2010 10.00 – 14.00 hrs

A very high quality and substantive programme is being finalised with due care and inputs from senior and junior practicing surgeons so as to utilise the eminent Faculty effectively – especially in their areas of expertise. Exciting formats of CME such as ‘Short talks with discussion’, ‘Quick videos’ and ‘Interactive sessions’ are included in the programme.
